PENCIL is the leader in creating innovative and impactful models of collaboration between the business and education communities. PENCIL works at the intersection of school needs and business expertise to bring together the best ideas, talent, and resources across sectors to improve public student and school performance and enhance workforce pathways.

Form 990, Part III, Line 4a - Program Service Accomplishments

PENCIL sharpens the impact of those seeking to support public education by connecting businesses to schools and students, enabling those with common goals to share their ideas, time, and resources to make the greatest impact.

Business leaders in PENCIL's network can deepen their impact by engaging in two core programs:

The PENCIL School Partnership Program creates and supports partnerships between business and school leaders that leverage their collective energies to foster strong school leaders and prepare students for college and career success. PENCIL serves as a critical liaison in these partnerships, helping to recruit and match businesses with schools and providing hands-on support in the design, implementation, and evaluation of partnership activities.

The PENCIL Fellows Program is a competitive career readiness program for NYC high school juniors and seniors. PENCIL trains and places talented, high need students in internships in businesses throughout the city in order to provide deserving students with critical workplace experiences and skills. PENCIL provides training to both students and business volunteers to make sure that students can get the most from their internships.
